

§ 1002.9 Unit.

(a) *Pool unit* means a bulk tank unit established pursuant to § 1002.25 and which meets the requirements of a pool unit pursuant to such section.

(b) *Partial pool unit* means a bulk tank unit so designated pursuant to § 1002.25(k).

§ 1002.10 Farm.

Farm means the production facilities and resources supplying milk to a milk house of a dairy farmer. The location of the farm shall be deemed to be the same as the location of the milk house, and in the event of a change in the location of the dairy farmer's milk house, any question as to whether milk received from the new milk house is from the same or a different farm shall be determined by the market administrator.

§ 1002.11 Own farm milk.

(a) *Own farm milk* means milk received at a plant from a farm operated by the person who is the operator of such plant.

(b) The market administrator shall publicly announce the name of any handler operating a pool plant receiving own farm milk and the location of the plant operated by such handler. This public announcement shall not include the name of:

(1) Any person meeting the definition of producer-handler as set forth in § 1002.12;

(2) Any person receiving no milk from other dairy farmers and selling no more than 100 quarts per day of Class I–A milk to persons in the marketing area other than to other plants; or

(3) A charitable, religious, educational, or governmental institution which is not engaged in the practice of receiving bulk milk from other sources for processing or packaging and is not engaged in the practice of selling packaged milk to persons not associated with such institution.

§ 1002.12 Producer-handler.

Producer-handler means a handler who, following the filing of an application pursuant to paragraph (a) of this section, has been so designated by the market administrator upon determina-

tion that the requirements of paragraph (b) of this section have been met. Such designation shall be effective on the first of the month after receipt by the market administrator of an application containing complete information on the basis of which the market administrator determines that the requirements of paragraph (b) of this section are being met. The effective date of designation shall be governed by the date of filing new applications in instances where applications previously filed have been denied. All designations shall remain in effect until cancelled pursuant to paragraph (c) of this section.

(a) *Application.* Any handler claiming to meet the requirements of paragraph (b) of this section may file with the market administrator, on forms prescribed by the market administrator, an application for designation as a producer-handler. The application shall contain the following information:

(1) A listing and description of all resources and facilities used for the production of milk which are owned or directly or indirectly operated or controlled by the applicant.

(2) A listing and description of all resources and facilities used for the processing or distribution of milk or milk products which are owned, or directly or indirectly operated or controlled by the applicant.

(3) A description of any other resources and facilities used in the production, handling, or processing of milk or milk products in which the applicant in any way has an interest, including any contractual arrangement, and the names of any other persons having or exercising any degree of ownership, management, or control in, or with whom there exists any contractual arrangement with respect to, the applicant's operation either in his capacity as a handler or in his capacity as a dairy farmer.

(4) A listing and description of the resources and facilities used in the production, processing, and distribution of milk or milk products which the applicant desires to be determined as his milk production, processing, and distribution unit in connection with his
